

About Us

Choice Apartments Limited

Choice Apartments Limited was Incorporated in 2002 as a limited company in England and Wales.

The objective of the company to offer the best possible service to its customers by providing the most informative and descriptive details of each of the properties featured on its web site. The company aims to have one of largest database on service apartments in London and by so doing hopes to offer the very best options for its clients i.e. to meet their requirements in price, standard and location.

The importance of choice is an area the company will continue to push the barriers. Choice Apartments was set up to offer the very best possible choice of service apartments in London and now Paris.

Being a customer based company the response time to any request is of utmost importance for us and therefore to respond immediately with valid information has been placed very high on the customer service aspect of the business.

We constantly review the web site to ensure the information contained therein is the most up to date and accurate on the properties and the services provided by them.

Choice Apartments hopes to develop a close understanding of its clients and also to work together with the properties and offer the best possible service for its clients.

Feed back from clients is essential for the development and improvement of Choice Apartments and when possible clients may be asked their comments on properties they have used. Of course, this will be at the discretion of the clients. Both negative and positive feedbacks are forwarded to the properties concerned in our attempt to strive for the general improvement in customer service.

A BETTER CHOICE FOR OUR CUSTOMERS IS AT THE HEART OF OUR MISSION
